- 24-week course which emphasizes on becoming a full stack developer
- The skills I have learned in the program are: HTML, CSS, JAVASCRIPT, JQUERY, AJAX, Firebase, Node.js, Express, Handlebars, MYSQL, Sequelize, Passport.js, Google-Oauth2.0, React.js, MongoDB/Mongoose

Gilbert, Arizona

Graduation Date: July 2019

The University of Arizona

Bachelor of Science in Business Administration

Major: Finance

GPA: 3.1

Tucson, Arizona

Graduation Date: May 2017

Coding Projects

Sub-Man

Authentication/Backend Developer

Link: <https://death-eaters-proj2.herokuapp.com/>

A Subscription Manager App where clients can log their subscriptions and manage their bills.

- Created the login authentication by utilizing Passport.Js, and Google-OAuth-2.0
- The google O-Auth returns a JSON which is stored in a Sequelize user database.
- The user and subscriptions databases are associated which allows the client to view their subscriptions every time they log in

Gif Encyclopedia

Individual Project utilizing AJAX calls

Link: <https://shpak92.github.io/letsGetGify/>

An app where member can search the top 25 Gifs for a subject

- A front-end AJAX project where the search calls to the Giphy's website
- Utilized JavaScript, Bootstrap CSS, and AJAX calls to develop the site.
- The client search bar loops through all the gifs, and can parse the detail that the user is looking for.

WORK & LEADERSHIP EXPERIENCE

USAA

SMS Investments Representative

Phoenix, Arizona

March 2018 –Present

Provide solutions for members to help with their financial servicing needs

- Create an exceptional member experience for our member by deepening conversations and revealing financial needs
- Met metric goals every month since hired
- Received positive feedback from our members for my services. Recognized by upper management on more than one occasion.
- Providing help for the members by researching information to provide solutions to their questions.

Bank of America

Financial Solutions Adviser for Merrill Edge

Chandler, Arizona

June 2017 – February 2018

Provided financial advice to our clients in a call center environment

- Provided financial advice to our clients that included retirement, stock market, budgeting, inheritance, and other needs.
- Used sales tactics for our clients to help them consolidate assets that were held in other institutions
- Helping clients reallocate their portfolios due to their risk tolerance.
