Major: Finance

Technical Skills

Software Engineering Skills

JAVASCRIPT	NODE.JS	REACT	JAVA
MYSQL/SEQUELIZE	EXPRESS	PASSPORT.JS	MONGODB
HTML	CSS	JQUERY	GOOGLE-OAUTH 2.0

Financial Skills

Series 7/66 Licensed	Creating Financial Reports such as General Ledgers and Income Statements	Utilizing Microsoft Excel to create a Monte Carlo Simulation	Analyzing Financial Reports such as finding the NPV and Liquidity ratios of projects

Sample Development Experience

Sub-Man
Authentication/Backend Developer
Link: https://death-eaters-proj2.herokuapp.com/
A Subscription Manager App where clients can log their subscriptions and manage their bills.

- Created the login authentication by utilizing Passport.Js, and Google-OAuth-2.0
- The google O-Auth returns a JSON which is stored in a Sequelize user database.
- The user and subscriptions databases are associated which allows the client to view their subscriptions every time they log in.

Gif Encyclopedia
Individual Project utilizing AJAX calls
Link: https://shpak92.github.io/letsGetGify/
An app where member can search the top 25 Gifs for a subject

- A front-end AJAX project where the search calls to the Giphy's website.
- Utilized JavaScript, Bootstrap CSS, and AJAX calls to develop the site.
- The client search bar loops through all the gifs, and can parse the detail that the user is looking for.

Employment Experience

USAA	**Phoenix, Arizona**
SMS Investments Representative	*March* 2018 –Present

Provide solutions for members to help with their financial servicing needs

- Conceived of and collaborated with senior executives and directors on an innovative project to address member queue time and member satisfaction challenges.
- 96% top ratings in over 350 member surveys. Resulting in being selected as the top performer on my team.
- Recognized as the top 3 performer on my team across 5 metrics for Quarter 1 & 2 of 2019.

Bank of America	**Chandler, Arizona**
Financial Solutions Adviser for Merrill Edge	*June* 2017 –February 2018

Provided financial advice to our clients that included retirement, stock market, budgeting, inheritance, and other needs.

- Received my series 7 and 66 licenses during my tenure
- Learned about different retirement strategies, and positioned it to help my clients.
